Thanks for your support!

Thank you Outdoor Afro and other Potomac Riverkeeper Network members and supporters for paddling with us at Riverpalooza's Goodbye Summer Blowout!

The trip was a great success, and we appreciate all of you coming out to support Potomac Riverkeeper Network as we celebrate the 50th anniversary of the Clean Water Act – momentous legislation that gives PRKN the power to force polluters in the Potomac and Shenandoah Rivers to clean up their messes.

We had a wonderful trip with beautiful weather and scenery and lots of fun whitewater! Thanks to all those who posted photos on social media and tagged Potomac Riverkeeper Network. If you have photos that you have not yet posted, please post them to get the word out about the wonder and beauty

of the Shenandoah and Potomac Rivers. If you would like to view and purchase photos from River Riders, please check out the website [HERE](#).

Are you interested in paddling our waterways WHILE raising much-needed funds for clean water? You're in luck! This year we're asking you to help us leverage our past successes into a cleaner, more just future by creating your very own clean water campaign!

Now you can put your paddle trip miles to good use by hosting your own paddlethon. Track your miles paddled and ask your friends and family to pledge X amount per mile.

Become our top individual fundraiser and you can win – A brand-new kayak! Recruit a buddy to form your own team (or increase your team's impact if you already have one) and win a trip on the Sea Dog – PRKN's 42' Research Vessel

[Get started today!](#)

On behalf of all of us at Potomac Riverkeeper Network, thank you for coming out on the river with us, enjoy the one year membership that comes with the trip, and we look forward to seeing you on the water again soon!
